

Outgoing & More Assertive

Tasks

"Notice my accomplishments"

Rhino

Peacock

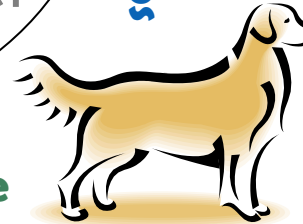

Relationships

Owl

Retriever

Reserved & Less Assertive

LEARNING OBJECTIVE:
Student will understand the motives and preferences of Rhino behavior and how to adapt to it.
INSTRUCTIONS:
Distribute the handout to students after viewing the video. Invite students to share their answers to question #1 only.

CLASS DISCUSSION POINTS

1. To "connect" with Rhinos means to understand and feel comfortable with them to a similar degree that they experience the same thing with you.
2. What's important to understand about the way Rhinos think?
3. Why do you think some people have difficulty "connecting" with Rhinos?

1

What are the strengths
of people who have
Rhino qualities?
What are they good at?

Shared answer

2

What could you do
better that would help
you connect with a
Rhino you know?
