

**LEARNING OBJECTIVE:**  
Student will understand the motives and preferences of Retriever behavior and how to adapt to it.

**INSTRUCTIONS:**  
Distribute the handout to students after viewing the video. Invite students to share their answers to question #1 only.

### CLASS DISCUSSION POINTS

1. To “connect” with Retrievers means to understand and feel comfortable with them to a similar degree that they experience the same thing with you.
2. What’s important to understand about the way Retrievers think?
3. Why do you think some people have difficulty “connecting” with Retrievers?
4. Remember: Everyone is a combination of all four styles, but usually has a dominant style.

1

What are the strengths of people who have Retriever qualities? What are they good at?

Shared answer

2

What could you do better that would help you connect with a Retriever you know?
